Yep, all my pending samples are in MS.

I was doing discovery packets and clearing up my files. I figure Della can use my Lab bench.

Let me know when you get in and I will be over.

Hi Annie,
Have you completed your in-process samples? I asked Peter to remove you from the GC/MS rotation so that you can work w/ me on the protocols & technical review templates. Please come over in the morning & I'll get you started .
Thanks, Julie
